

COME HERE BOY

On a Monday mornin' everything was goin' fine
Husband off to work I had the job thing on my mind
Headin' out the door I saw my neighbor cross the way
THAT IS WHEN I SAW HIM JUMP & then he ran away

CHORUS:

Said come here boy come fetch your toy, I'm the one to see
Sit, roll over & play dead you found a friend in me
Come here boy come fetch your toy, I'm the one to see
Sit, roll over & play dead you found a friend in me

Sooner than I knew it, he was standin' at my door
Saw him jump a couple times as he had done before
Let him in the house & called my hubby right away
Told-me-to-call the pound and go - merrily on your way!"

CHORUS

Plotted with my sister - to keep the pup I'd found
A funny smile, a curly tail, fur was tan and brown
Realized! This funny dog! Made our family whole!
Before-you-knew - he-had-a-house - even a doggie bowl

ENDING CHORUS

Said come here boy come fetch your toy, I'm the one to see
Sit, roll over & play dead you found a friend in me
Said come here boy come fetch your toy, I'm the one to see
Sit, roll over & play dead you found a friend in me
Said come here boy come fetch your toy, I'm the one to see
Sit, roll over & play dead you found a friend!
Found a friend!
Found a friend in me!
