

Quitter

Met him many years ago I knew his sister too!

Soon became a romance that turned my brown eyes blue
Coulda' been a life long thing it really felt so right
Time went by my lover changed didn't happen over night.

HE'S A QUITTER BUT I'M NOT BITTER, BLESS HIS HEART
HE'S A QUITTER BUT I'M NOT BITTER, BLESS HIS HEART

Found another gal one night, this "girl" she took his heart
Stole him right from under me He knew he played a part
Didn't play his cards right Not-the-man-I-thought-he'd-be
Fell So hard for her "ker-plunk" right down-on-bended-knee.

HE'S A QUITTER BUT I'M NOT BITTER, BLESS HIS HEART
HE'S A QUITTER BUT I'M NOT BITTER, BLESS HIS HEART

Bridge:

We were together long time ago outa picture just like that
No reason, No Rhym just "bye bye" now Even left without his hat!

Just about the time my ship had sailed to better seas
Now he wants me to himself He's back on bended knee
Those who know me very well know I'm not one to gloat
Gotta say I told you so! He really missed the boat!

HE'S A QUITTER BUT I'M NOT BITTER, BLESS HIS HEART
HE'S A QUITTER BUT I'M NOT BITTER, BLESS HIS HEART
HE'S A QUITTER!
